To: Housing Choice Voucher Participants – Tenants
From: Louisville Metro Housing Authority
Subject: CARES Act Information
Date: April 14, 2020

- For a 120-day period beginning March 27, 2020 the CARES Act provides that a landlord cannot make or cause to be made any filing to initiate a legal action to recover possession of the covered dwelling from the tenant for nonpayment of rent nor can the landlord impose any fees, penalties or other charges on a tenant for late payment of rent.
- While evictions cannot be filed for non-payment during this moratorium period, it is highly encouraged for tenants and landlords to work out payment arrangements for any back rent accrued during this time to prevent later eviction filing.
- Please report any changes in income as a result of COVID-19 immediately to the LMHA change line at 569-6248. It's possible a reduction of your rent portion can be processed.
