SNAP and HUD WAIVER

To encourage more people to work for the 2020 Census, the Department of Health and Human Services is encouraging states to disregard income earned as temporary census employees for recipients of the Supplemental Nutrition Assistance Plan (SNAP). Kentucky is now one of the states in which this waiver applies. In addition, the U.S. Department of Housing and Urban Development has also agreed to exclude temporary income from the US Census Bureau in determining a family's annual income.
